ServiceNow Partner of the Year Awards 2026

- ServiceNow's Partner Awards recognize global partners who delivered continuous value to customers throughout the year.
- We won awards in 5 out of 30 categories across the APAC and Japan regions. **This recognition makes us ServiceNow's most awarded individual partner in 2026.**

The second consecutive year

CRM Partner of the Year (Japan)

Awarded for providing optimal end-to-end support across the entire customer lifecycle through AI platform.

Reseller Partner of the Year (APAC)

Awarded for understanding customer needs and maximizing the value of the AI platform through reseller activities.

Risk & Security Partner of the Year (Japan)

This award recognizes our contribution to strengthening customer cybersecurity by leveraging expertise in the risk and security domain.

IT Partner of the Year (APAC)

Awarded for successfully implementing ITSM, ITOM, ITAM, and other solutions with deep expertise, contributing to customers' digital transformation.

Service Provider Partner of the Year (Japan)

Awarded for combining comprehensive service delivery and expertise with the power of ServiceNow to help customers rapidly and efficiently leverage the power of the AI platform to increase value and optimize operations.
